Students who plan to make use of the Web registration system MUST meet with an academic advisor in order to have a PIN number activated. Before a PIN is activated, students will discuss with advisors their degree plans and degree options. *Transfer students MUST provide advisors with either a STARS guide or a degree plan (if STARS guide is not available) from the institution to which they plan to transfer. Transfer guides for Alabama colleges and universities are available through the STARS program. The Alabama Articulation Program (STARS-Statewide Articulation Reporting System) is a computerized articulation and transfer planning system designed to inform students who attend Alabama community colleges about degree requirements, course equivalents, and other transfer information pertaining to specific majors at each four-year institution funded by the State. Students may obtain a transfer guide by accessing the Wallace Community College home page (www.wallace.edu) and clicking on the quick link to STARS. Transfer students are also advised to maintain contact with their transfer schools in order to verify specific admission and course requirements. TRANSFER STUDENTS WILL NOT BE AUTHORIZED TO MAKE USE OF THE WEB REGISTRATION SYSTEM WITHOUT TRANSFER GUIDES.
