1. Attend the GED classes for at least 30 days without an absence.
2. Ask your teacher to complete a form which documents your attendance during that time.
3. Make an appointment to meet with the Adult Education Department, at Wallace Community College. You can do so by calling 556-2373.
4. Bring the following items with you:
 - Your driver's license
 - The letter you received from the Department of Public Safety (if applicable) suspending your license
 - The form your teacher completed documenting your attendance

Your continued attendance, productivity and policy compliance in this program is required. If you are dropped from the program the Department of Public Safety will be notified, and you will no longer be eligible to have a driver's license.
