ADVISING AND eLEARNING TRAINING

Advising Procedures

Student Orientation Advising and Registration (SOAR).

Students who attend SOAR are first time college students. During SOAR students will meet with an advisor. Advisors assist students in planning their schedule and pre-register them for their classes.

Regular or Pre-Registration Days. Current, returning, and transfer students go to the assigned advisor's office to plan their schedule, print a STARS guide, and discuss their plan of study. The advisor pre-registers the student, authorizes the student to register online for the next term, and explains the online registration procedure.

Outside Regular Office Hours. Students should go to the Counseling Office (Grimsley Hall room 125 on the Dothan campus and Building A room 11 on the Sparks campus) where counselors will be available to assist when faculty members are not available.

Web Registration. Students can access the Web to register once their advisor authorizes them. Students who are entering into their first semester of college courses are not allowed to register online. These students must first be assisted by an advisor to receive Web authorization. The dates for Web registration are available online.

All first time freshmen must meet with an advisor prior to registration. Transient and transfer students must have an application for admission on file prior to registering for classes, and transient students must submit an updated transient letter each term.

Prerequisites

Before a student enrolls in a class, all prerequisites must be satisfied. If a student enrolls in a class for which the prerequisites are not fulfilled, then the student may not receive credit for that class and may be withdrawn administratively. Additionally, any student planning to take online courses must complete eLearning Training (ELT).

STARS Advising

The Statewide Transfer and Articulation Reporting System (STARS) is a web-accessible database system providing guidance and direction for prospective transfer students in the state of Alabama. STARS allows public two-year college students in Alabama to obtain a transfer agreement for the major of their choice. A printed and signed agreement, if used correctly, will guide the student through their first two years of coursework and prevent loss of credit hours upon transfer to the appropriate public four-year university in Alabama. The STARS system is accessible on the website (www.wallace.edu).

*STARS Guide is only valid for four years from its original issue date.

Withdrawal Policy

To be entitled to a refund of tuition and fees, students on both the Wallace and Sparks Campuses must officially withdraw by initiating the online withdrawal form. Students can access the online withdrawal form via the College website. A How to Video can be viewed for step by step instructions.

Complete Withdrawal

Students who officially withdraw and have never attended any class(es) are refunded the total tuition and other refundable fees. Students who officially withdraw and have attended class(es) are refunded tuition and refundable fees calculated from the actual date of withdrawal. Refund check(s) are made payable to the student and mailed to the student's home address as recorded in the registration file. An administrative fee of 5% of tuition and other institutional charges is assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class. Financial Aid students are subject to the Return of Unearned Aid, Responsibility of the Student policy.

Partial Withdrawal

Students who do not completely withdraw from the College but drop a class during the regular drop and add period are refunded the difference in tuition and fees paid and tuition and fees applicable to the reduced number of hours, including fees appropriate to the classes dropped. No refund is due a student who partially withdraws after the official drop and add period. Students who have not attended class by the fifth class day of a term are removed from that class. Students who have not attended any classes by the fifth class day will have their registrations voided and will not be registered for that term. It is the student's responsibility to attend class. If an emergency should occur, Wallace Campus students should contact the Office of the Director of Enrollment Services/Registrar at 334-556-2468, and Sparks Campus students should contact the Student Affairs Office at 334-687-3543, Ext. 4282, prior to the fifth day of a term. Active Duty Military Withdrawal

Refund for Alabama National Guard and Reservists Call to Active Duty: Students who are active members of the Alabama National Guard or reservists or who are active duty military who are called to active duty in the time of national crisis may receive a full tuition refund at the time of withdrawal. If a National Guard student is receiving Title IV funding, a recalculation must be performed as required by Federal Title IV regulations, which could result in less than a 100% refund.

The online withdrawal process is available based on the deadline dates listed in this guide and on the College website. No withdrawals will be taken by phone. Failure to attend class does not constitute official withdrawal. If you are a Pell grant recipient or receive veteran's benefits, then you must speak with a representative from Financial Aid before withdrawing from classes. Your grant award may be reduced or canceled if classes are not completed successfully.

Pell Grants

It's easy to check your Pell Grant Status!

STEP 1: Access your PELL award information.

The Financial Aid Department will now only use the Financial Aid Shopping sheet to notify students the amount of Title IV PELL Grant funds you are eligible for.

- Log into your student my WCC account here: <https://wadmin.wallace.edu/acprdws/isclogin.pgm>.
- Click "Financial Information" in the left column of the page to open these options.

- How much you will be disbursed each semester depends on (1) your program of study and (2) the amount of Credit /Title IV Hours you register for. Out of degree plan courses will not calculate towards your award. Final calculation is done after drop/add and no show cancellations are finalized.
- **Special circumstances associated with your award will be noted in the documents required section shown below (Ex: financial aid warning, probation, etc.).
