The Financial Aid Office has received information about the Greta James Memorial Scholarship, as offered by [Scrubshopper.com](http://Scrubshopper.com).

Please review and follow instructions as outlined below.

Our company, [Scrubshopper.com](http://Scrubshopper.com), is announcing the Greta James Memorial Scholarship for students pursuing a degree in a healthcare related profession. Once a semester, we will award up to 4 recipients with \$500 to support tuition and living expenses.

Students can apply here: <https://www.scrubshopper.com/pages/scholarship>

Here is a summary:

Greta James (1942-1995) was a night shift LPN and the mother of John James, M.D., the founder of Scrub Shopper. She was best known for her caring bedside manner and compassionate spirit. Greta instilled a passion for the practice of medicine and respect for medical professionals in her son, but sadly Greta passed away before her son was accepted into medical school. Her legacy lives on through this scholarship, given each semester, to nursing students with compelling non-traditional stories and a passion for changing lives through the nursing profession.

The only requirements to apply are:

- Enrollment in medical degree seeking programs (Ex: ADN or BSN) at an accredited university
- Two essays highlighting financial need and leadership within their community
- Apply by April 18th, 2017 for the Fall 2017 semester**
