We are pleased to announce the 2017 Kush Arora Federal Justice Reform Scholarship. This is our third year offering this scholarship. Mr. Arora understands that the success of the criminal justice system depends on the success of the bright young women and men who are pursuing their academic and professional dreams today. To help them achieve their goals, and to further bolster the system that he so proudly serves, Mr. Arora has established the Kush Arora Criminal Justice Reform Scholarship. This scholarship will award $500 to a deserving student who has demonstrated a thoughtful, well-reasoned view of whether certain laws and criminal justice policies are just or unjust.

This scholarship is offered to any student currently enrolled in an accredited community college, undergraduate, or graduate program.
