

Distributing a FREE pair of new athletic shoes to kids in need

Shoes4Kids has distributed over 9,700 pairs of new athletic shoes and socks to underprivileged children as an event in conjunction with the American Physical Therapy Association's annual NEXT conference. The shoe drive is a way that the APTA can give back to the community that hosts the national conference, as well as encourage physical activity in children around the nation.

Shoes will be distributed in Nashville, TN during the APTA NEXT conference.
