Dr. Linda C. Young  
President  
George Corley Wallace State Community College  
1141 Wallace Drive  
Dothan, AL 36303

Dear Dr. Young:

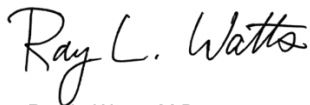

Thank you for continuing to prepare your students for collegiate success. I am pleased to share some of the ways in which UAB continues to be a first choice for your students' educational goals, as well as some of the exciting initiatives taking place across campus:

- In fall 2021 UAB maintained its momentum in growing enrollment with diverse and talented students, **exceeding 22,000 total enrollment for a third consecutive year**—including a freshman class that was our **largest (2,415) and most diverse ever** at 65 percent female, 45 percent underrepresented, and 28 percent first-generation.
- UAB continues to offer **unrivaled academic, research, and service opportunities** to our undergraduates, who in spring 2022 earned—among other national and international honors—**three Goldwater Scholarships** and **five Fulbright Awards** for research and service in France, Spain, Czech Republic, Taiwan and Germany.
- We are building state-of-the-art new academic and research buildings, such as our **Science and Engineering Complex** scheduled to open in spring 2023.
- Our **newly created Transfer Advisor position** in Undergraduate Admissions is providing invaluable pre-enrollment advising, support and resources to our prospective community college students.

I am enclosing data about your former students' performance at UAB during the 2020-2021 academic year. Please contact Dr. Bradley Barnes, Vice Provost for Enrollment Management (205-934-4073 or [bbarnes1@uab.edu](mailto:bbarnes1@uab.edu)) with questions about this information or to learn more about the exciting opportunities available to undergraduates at UAB.

Opportunities abound for students who choose to become UAB Blazers. Thank you again for partnering with UAB to offer world-class educational opportunities for our students.

Sincerely,

Ray L. Watts, M.D.
