**Appendix**

**Explanatory Notes**

---

1. An undergraduate student must have transferred at least 15 hours from a designated Alabama public two-year college to be included in the transfer report for that two-year college.
  
  2. A student may be counted as a transfer from more than one Alabama public two-year college.
  
  3. In Report 1, a blank in the "UA GPA" column indicates that the student earned no GPA hours (for example, withdrew from all courses).
  
  4. In Report 2, the letter grades include + and - grades. For example, the number of "A" grades reported is the sum of "A+", "A", and "A-" grades. A student who withdrew while passing received a grade of "W". A student who withdrew while failing received a grade of "F".
  
  5. In Report 5, undergraduate students that transfer at least 15 hours from an Alabama public two-year college are included in line 1 (transfers from a specific public two-year college) or 2 ("Transfers from Other Alabama Public Two-Year Colleges"). All other undergraduate transfers are included on line 3 ("Other Transfers"). Students that entered The University of Alabama as first-time undergraduates are reported in line 4 ("Native Students").
