

Greetings from UA!

I want to thank you for your service and commitment to your students. The work you and your colleagues do in teaching and preparing students for life is critically important. I know from my own experience in education that what you do is not easy, but the impact you have is both far-reaching and significant.

We value the partnership we have with you in educating the students of the state of Alabama, and we are pleased to provide you with information on your former students' performance at The University of Alabama for the 2020-2021 academic year.

There has never been a better time to be an in-state transfer student at UA. For the fifth consecutive academic year, undergraduate tuition will remain steady for residents of Alabama, and we offer generous scholarship opportunities for qualifying students.

At UA, we continue to recruit and retain the best and brightest students in Alabama. The statistics speak volumes about our incoming transfer class:

- 65% of in-state full-time entering transfer students receive some form of scholarship or grant to attend UA.
- Students from every community college in Alabama are enrolled at UA.
- 90% of all UA graduates have job placement or acceptance into graduate school or the military within the first six months of graduating.

I wish you the best for the coming year. If you have any questions about the enclosed information, please do not hesitate to contact me at (205) 348-8666 or Matt.McLendon@ua.edu.

Sincerely,

Matthew McLendon, Ph.D.

Associate Vice President and Executive Director for Enrollment Management

Appendix

Explanatory Notes

Report 1 First term data of first-time transfer undergraduates from your institution with 15 or more transfer credit hours

The UA GPA column is blank when the student earned no GPA hours (for example, withdrew from all courses).

Report 2 List of courses taken by entering transfer students from your institution

UA utilizes + and – designations with course grades, but for the report these designations are ignored. Therefore, the letter grade shown in this report represents all grades at that level regardless of the designation. For example, the number of A grades is the sum of all A+, A, and A- grades assigned.

Students withdrawing from a course while passing receive a grade of W. Students withdrawing from a course while failing receive a grade of F. Course grades of W are not included in the average GPA calculation.

Report 3 Degree majors list of UA bachelor degree recipients that transferred from your institution

Report 4 Academic performance of currently enrolled first-time transfer undergraduates from your institution

Report 5 Academic performance in 300-level and above courses at UA
