**Per College curriculum requirements, the following courses will be required in order to complete your Practical Nursing certificate. These courses must be completed with a “C” or higher:**

- ORT 100 – Orientation for Career Students (1 credit) **or** ORI 101 – Orientation to College (1 credit) **or** ORI 105 – Orientation and Student Success (3 credits)

**Total Credit Hours: 51 Hours (53)**

Students must maintain current cardiopulmonary resuscitation certification throughout the PN program in order to participate in clinical experiences. Certification must be American Heart Association Basic Life Support (BLS) for Healthcare Providers (CPR/AED) or American Red Cross CPR for Professional Rescuer. You have two options for obtaining this certification:

1. It may be taken through the College by registering for EMS 100 prior to or concurrent with NUR 102.
2. It may be taken at any other approved agency or facility. Proof of successful completion must be presented prior to registration for NUR 102.

**Comprehensive Assessment (CA) testing through the use of standardized and validated assessment tools will be incorporated into each field of concentration course. This assessment may or may not comprise a portion of grade calculation and is intended to aid in advisement, counseling, and/or remediation of students. Costs associated with CA are the responsibility of the individual student.**
